MEET the CREATOR

Hi, I'm Ava — the heart behind AGC Creative Media. I'm a photographer based in Albuquerque with a deep love for capturing the kind of moments you can feel long after they've passed. My work is inspired by natural light, genuine emotion, and the stories that unfold in between poses — the quiet glances, the laughter, the movement, the realness. I believe photos should reflect who you are, not just what you looked like. Whether I'm documenting a wedding, an elopement, or a candid family moment, my goal is always the same: to create images that are timeless, true to you, and filled with warmth. When I'm behind the camera, I'm not just taking photos — I'm preserving memories you can hold onto for a lifetime.

My work is about preserving the quiet, heartfelt moments that tell your story without saying a word.

OUR VISION

At AGC Creative Media, our vision glance, every quiet exchange is is to craft imagery that embodies elegance, emotion, and timeless storytelling. believe We in capturing moments with elevated intentionality – blending natural light, refined direction, and genuine connection to create photographs that feel both effortlessly candid and artfully composed. Every detail, every

preserved with care, resulting in a gallery that reflects not only the beauty of your day but the feeling of it. Our aim is to deliver a collection that is warm, luxurious, and truly unforgettable imagery that stands the test of time and becomes part of your legacy. Our goal is for every photograph to feel authentically like you.

I create imagery that transforms fleeting moments into art - refined,

emotive, and forever yours.

HOW WE WORK

At AGC Creative Media, we believe in crafting a photography experience that feels as intentional and heartfelt as the memories we capture. From the moment you reach out, you're not just hiring a photographer — you're inviting someone into your story. We begin with a personal consultation to understand your vision, passions, and what makes your relationship uniquely yours. Once you book, we work together to plan everything from your timeline to the moments you most want preserved.

THE Photo SESSION

On your wedding day, we blend gentle direction with a storytelling mindset — guiding just enough so you feel comfortable but never interrupting the natural flow of real emotion. We prioritize golden-hour light, meaningful glances, and in-between moments, producing images that feel warm, genuine, and timeless. Afterward, we curate and thoughtfully edit each photo, delivering sneak peeks quickly and your full, beautifully refined gallery within a few weeks.

We're with you every step of the way because we care deeply about the story you're writing - and we want to help you relive it again and again through your photographs.

THE LOCATION

From mountain overlooks and desert landscapes to elegant indoor venues, I photograph in spaces that reflect your story. Whether your wedding is local or out-of-state, I work closely with you to choose the best lighting, scenery, and timing to create warm, natural, and stunning images.

THE TIMING

The timing of your wedding day plays a big role in the look and feel of your photos. Soft, natural light — especially during golden hour — creates warm, flattering images full of depth and emotion. We work with you to plan the best times for portraits, ceremonies, and key moments so the lighting aligns beautifully with your vision. Whether your day begins at sunrise or ends under the stars, we help ensure every moment is captured in its best light.

GOOD FIT?

- DO YOU BELIEVE YOUR LOVE STORY DESERVES IMAGERY THAT FEELS WARM, TIMELESS, AND GENUINELY YOU?
- DO YOU WANT A PHOTOGRAPHER WHO BLENDS GUIDANCE WITH NATURAL STORYTELLING, LETTING YOUR DAY UNFOLD WHILE CAPTURING IT BEAUTIFULLY?
- MOST IMPORTANTLY DO YOU WANT AN EXPERIENCE THAT GOES BEYOND PHOTOS, ONE WHERE YOU FEEL SEEN, CARED FOR, AND COMPLETELY AT EASE FROM DAY ONE?

If you value honest, heartfelt moments over perfect poses, we'll be a beautiful fit. My best work comes from couples who trust the process, embrace the day as it unfolds, and love the idea of photos that feel natural, warm, and true to who they are. With a little guidance from me — from lighting to timing to shot ideas — you'll still get every photo you've dreamed of, but in a way that feels effortless, genuine, and uniquely yours.

Your wedding day is a story of love, light, and connection. My goal is to capture every emotion, every fleeting detail, and every genuine moment so you can relive the experience again and again.
